

Welcome to Birch Grove School for the Arts

Birch Grove offers a unique environment where education and the arts combine to enhance learning through movement, graphics and music.

Volunteers are welcome to join us in many forms of volunteering. We offer on going opportunities, periodical adventures and one time positions.

We are asking every family to pledge 10 hours of volunteering throughout the school year. There are many ways of fulfilling that obligation. If you would like to become part of a team and meet other parents or just have an hour here or there both of these needs can be met. Please look at the list below and choose how you want to become involved with your child to show they matter.

If you have any questions please stop by and see me or contact me so I can help answer your questions. My office hours are 8:30 – 2:30, my phone number is 763-561-1374 or email me at: gangestadp@district279.org.

Your involvement is greatly appreciated,

**Pam Gangestad
