

3rd and 4th Gr. Elective Choices

1. Seed Art- (Mrs. Pederson): Students will use a variety of seeds to create a visual design. Potential of MN Star Fair display.
2. Web Wonders- (Mrs. Magnuson): Use your won photo to create a cool web projects with free tools right on the internet!
3. Creative Card Making- (Mrs. Rose): We will be using rubber stamps, ink, paper, and other supplies to create a variety of greeting cards.
4. String Art- (Mrs. McNattin): Students will draw a colored geometric design then use that pattern to create a string art creation.
5. Photo Fun- (Mrs. Wilder): We're going on a letter hunt with our digital camera! We will learn to take pictures, and how to crop them to our needs. In the end we will have a beautiful piece of art using our collection of digital pictures.
6. Awesome Origami!- (Ms. Clay): Origami is the Japanese art of paper folding. We will make 1-3 projects in each session and display them at the showcase.
7. B.G. Idol- (Mrs. Paulson): During each session, students will work toward a solo performance. We will work on breathing, movement, and audience interaction. Students in this class should be interested in singing, movement, and performance.
8. Fun with Art- (Mrs. Dick): Students will review the elements of line, shape, color, space, and texture as they create fun and original artwork. Let your artistic skills shine!
