

Kidstop November 2009

Newsletter

Kidstop Families-

Here are a few updates and reminders for the month of November.

Non School Day Coupons Due

Coupons are due no later than Thursday, November 19th for the upcoming December 4th Non School Day.

Kidstop Closed

Kidstop will be closed on Thursday, November 26th and Friday, November 27th.

Winter Break Non School Days

There will be a form put in to your parent folder later this month inquiring whether or not your child will be attending over Winter Break. We ask that you fill out this form even if you are signed up for all Non School Days.

Parent Event

Please join us on November 4th from 4:00-5:45 for our afternoon Parent Event! The theme is a "Luau Party." We will be serving dinner and having a craft for you to do with your child! This is a great time to meet your child's friends and their parents, so we hope to see you there!

Outdoor Play

We bring the children outside EACH DAY for outdoor play time. Please be sure your child has warm, outdoor clothing with them EACH DAY.

Upcoming Kid Picks

The upcoming Kid Picks class will be for 3rd-6th grades and will be a "Scrapbooking" Class. Please watch the Parent Area for the sign up for this class.

Absences/After School Classes

If your child will be absent from Kidstop, please call us at (763) 315-7673. It is very important to us that we know that your child is safe with you if they are not here at Kidstop. Also, if your child will be attending any after school class, or a program such as Girl Scouts, please leave us a note letting us know this so we can get them to their class. Without a note we are unable to send the children to these special classes.

Tuition Reminder

Just a reminder that tuition is due the first day of the week that your child attends Kidstop.

Program Manager News

Kidstop Families-

The Kidstop staff have gone through some training this fall and one of the areas they were trained in was "Efficacious Learning Activities". The staff have incorporated some efficacious activities into the weekly schedule. The five attributes they are working on with the children are to be self-directed learners, resourceful, responsible, problem solvers, and skilled communicators. Look for more in this area each month in the upcoming newsletters.

Thank-you,
Sonny Hilyar

If you have any questions or concerns, please ask the staff or call us at (763) 315-7673.

We hope you have a great month!

Kidstop Staff
