

## November

Jacket weather is upon us! It is helpful if your child's jacket, hat, mittens, boots are labeled.

It was nice to visit with you during our conference.

We learn a lot about your child from you. Thank you for your support!

We will be working on the following skills this month:

**Reading:** Our next unit is "Silly Business" and includes many silly songs and stories. Letter focus: P C A N D

Word focus: I like go we

**Math:** We will work on recognizing patterns in our environment, extending patterns and creating our own patterns. Example: x o x o x o

Abbababbabbabb

We also continue to work on number representation and story problems.

**Science/Health:** Our focus is on nutritious eating.

**Social Studies:** Our discussions will include elections, maps and globes, Veteran's Day and Thanksgiving Day.

**Art:** We will learn about line drawings.

We are planning a Fall Activity Day on Friday, Nov. 20<sup>th</sup> at 11:00 and 3:00. The students will play learning games, do crafts, etc.

Have a wonderful November!

The Cedar Island Kindergarten Teachers
