

Kindergarten News

We are beginning our second month in kindergarten! The students have adjusted to our routines and activities. We are looking forward to more learning and growing!

K-3 Conferences will be held on October 12th, 20th and 22nd. Mrs. Knutson will also be conferencing on October 13th, 19th and 21st. We look forward to visiting with you about your child's progress in kindergarten. Our schedules are very full so we will adhere to 20 minute conferences. If we need more discussion time we can schedule a phone conference at a later time.

Curriculum topics this month:

Reading: "I Am Special" – we are completing our focus of books and discussion about what makes each of us unique.

Letters: M S R T Sight Words: A My The

"Around the Table" – in this unit we will hear stories about healthy eating, cooking, food and fun!

Letters: P C A Sight Words: I Like

It is very helpful if you can reinforce the skills listed above at home.

Math: The beginning of our math series focuses on understanding numbers, recognizing numbers, and writing numbers. Thank you for helping your child with math homework to practice these skills.

Health /Social Studies: Our focus has been to discuss bus, pedestrian and playground safety. We will be working on fire safety, nutrition, school, maps and teamwork.

Science: We continue our study of trees and FALL. We got a little behind with our tree observations due to recent rains!

We will be having some safety drill practice times later this month (fire, lockdown, severe weather).

Upcoming Dates to remember:

October 9 Teacher Workshop (no school)

Oct. 15, 16 MN Professional Meetings (no school)

Oct. 29, 30 No ½ day Kindergarten

Thank you for your continued support!

The Kindergarten Teachers
