

# Volunteer Interest Form

As we begin a new year at Cedar Island Elementary, we need your time and talents to help build a strong link between home and school. We need parental assistance to help make our children's education a special time for them. Show your kids your school spirit by volunteering.

Filling out this form does not constitute a commitment on your part. From this form, we will make our calling lists. This information gives us a starting place in our efforts. Thank you.
