

COUNSELOR'S CORNER

I am Karen Droegemueller, your child's School Counselor. The children call me Mrs. D. I am very excited to be back as a part of the Edinbrook family every day of the week.

I will be meeting with some individual children and some small groups of children based on referrals from classroom teachers, our Principal and our Assistant Principal.

This month, I am teaching 5 classroom Character Education lessons to all Kindergarten students. I will introduce myself and lessons are designed to help your child understand themselves and others by using feeling words. I am also teaching Life Skill lessons to our 5th grade students as part of their Health curriculum. These lessons include the following topics: Communication Skills; Conflict Resolution; Assertiveness in handling harassment; and handling Stress.

I have observed so many children showing respect for one another; using acceptable and appropriate behavior; and knowing what they are supposed to do in school to learn. Edinbrook is an awesome school!

If you have concerns about your child's social and/or emotional growth and would like to meet with me either before or after your child's conference, please let me know. You may call 763-493-4737 and leave a message on my voice mail; send a note; or email me at droegemuellerk@district279.org

See you at conferences☺
