

EDINBROOK PHYSICAL EDUCATION

Welcome to the Edinbrook Physical Education site! The physical education specialists are Mrs. Colburn and Mrs. Wentzell. This fall trimester we welcome Mrs. Gerber who is working for Mrs. Colburn while she is at home with her newborn son.

Our mission is to inspire and prepare all students to lead a healthy lifestyle by providing a variety of opportunities designed to help children acquire the skills needed to make positive choices about a healthy and physically active way of life.

We will update this site as needed to keep you informed on upcoming events and happenings in physical education.

*FITNESS TESTING

Fitness testing is administered twice a year for students in grades 1-6. Fall scores will be sent home with the first report card and Spring scores will be sent home with your child's final report card. Note: These scores are not part of a student's grade in physical education. We hope that students will use the information they gain from the tests to maintain and improve their fitness levels.

NOTES

- Please help your child remember to bring tennis shoes on Phy. Ed. Days. You can check the specialists' schedule on this website to determine when your child has Physical Education.
