

*Parents,*

*Below are the instructions for accessing the website that supports your child's math series. Your child registered in class. They can use the on-line text book as well as all other supporting materials at any time. Hopefully you will find this to be a great asset to your child's math instruction.*

## Accessing **classzone.com**

- Go to [www.classzone.com](http://www.classzone.com).
- Choose math under middle school and choose Minnesota and then click

GO

- Click on the **Course 1** book
- Click on the Online Book words in the lower left hand corner
- Click on Create a **Student Account** on the right in the new visitors box
- Fill in the required information which is the ISBN number from the back of the book.  
It is: 978 0 618 61069 3  
Click submit.
- Once your child has registered they just need to supply his/her username and password to access the online text.
