Building A Community with Character

- Cooperation (September/October)
- Assertion (November/December)
- Responsibility (January/February)
- Empathy (March)
- Self-Control (April/May)

For the month of March students will be learning about the importance of having EMPATHY both in and out of school.

School discussions will be centered on how having empathy looks, sounds, feels and why it is beneficial for us to have in our lives. At home, please discuss with your child/children the ways all of you show empathy each day. Take a moment to write down these practices in the space provided below and return it to school. This section will be posted on our Character Education bulletin board located near the main office (you can keep this slip anonymous if you wish). Thank you for taking the time to discuss the importance of having strong character.
