

Mrs. McGough's
Peek at our week
May 21 - May 25

Monday	Tuesday	Wednesday	Thursday	Friday
Snack helper- Brandon Phy. ed. Media	Snack helper Michael Music	Snack helper Walk-a-thon Lunch in the cafeteria	Snack helper Samantha Happy birthday Samantha	Snack helper Maddie Phy. Ed.

We had another good week. We are still working on our short vowel sounds. We started our language arts unit - Under the Ocean. The students seem to have a great interest in the ocean and what is in the ocean.

We did a number of little experiments with paper this week. We also enjoyed the assembly on Friday.

Next week we will continue working on our vowel sounds and the ocean theme. We will do our monthly writing of our numbers and full names next week. Please help your child with their last names if they are not secure in writing it.

If you have not turned in your permission slip for our field trip - please get it in as soon as possible. The first seven parents to turn in their permission slips are able to go. Attending the trip will be: Tianna's, Ana's, Kaeley's, Brandon's, Maddie's, Taylor's and Analise's parent. Thank you for volunteering to chaperone our trip! There will be a few other parents joining us, but they will meet us at Underwater Adventures.

Wednesday the kindergartners will do a walk-a-thon to raise money for our new playground. The information went home in the Wednesday envelope. The students will eat lunch in the cafeteria on Wednesday. The kindergartners will receive their official pin numbers that they will use for their grade school years.
