Volume II, Issue 3

November 3, 2009

The first two months of school have been busy!

- Reading— Students have enjoyed many books. For our author study, we have been focusing on Eric Carle, author and illustrator. Kindergartners have been using their "inventive spelling" to write words to tell about books and events. Many students look at our classroom's "word wall" to check how to spell sight words.
- Math— Students have worked on counting, graphing, and

writing numerals. In addition, they have learned about making complex patterns.

- Choice Time— A "library" has been added to the classroom. Here students are able to look at their kindergarten notebooks as well as read fiction and nonfiction books.
- Art— Students celebrated fall by making leaf rubbings. In addition, they painted fall trees.

Important Information

Winter Weather - Since the class goes outside for recess everyday, please check the weather report each day and make sure that your child brings the appropriate outerwear. Thank you for your assistance!

Turkeys— Tag board turkeys were recently sent home with each kindergartner. This is a family project, so help your child decorate

his or her turkey. We hope to have all of the turkeys returned by Monday, November 9th. They will be displayed in the hallway by the media center.

Fall Party - A big THANK YOU to all of the adults who volunteered at the fall party. The students enjoyed the activities.
