

Woodland Elementary  
**Cultural Celebration**

January 22, 2010

Please join us!

*Celebrate our diversity*

**We at Woodland Elementary would like to hold our third annual Cultural Celebration night! In the past we have held a fun filled night of diverse food, music, and performances that included Woodland students and families. Again this year we would like your suggestions and even invite you to share your talent.**

**Interested in helping with the planning? Please join us for a coordination meeting on December 2<sup>nd</sup> at 4:15pm in the teacher's lounge or contact us with your ideas or to volunteer!**
