

Get in touch with your kid's online activities and our school could win \$20,000

Dear Parent or guardian,

In honor of National cyber Security Awareness Month in October, Norton is offering a **free** subscription to OnlineFamily.Norton, a new service that helps parents monitor their kid's online activities.

To encourage parents to get more involved with their kids online activities, Norton is offering a grand prize of \$20,000 to the school with the largest number of parents to install and use OnlineFamily.Norton. Second and third place prizes of \$10,000 and \$5,000 will be awarded to the schools with the highest percentage of parents participating relative to school size. This is a great opportunity for you and for our school.

To participate in the contest and get your **FREE** copy of OnlineFamily.Norton, follow these easy steps.

1. Go to <https://onlinefamily.norton.com/familysafety/> or use the link on the Woodland Webpage.
2. Set up an account for your family making sure to enter our school's promotion code when you register.
 - School Name: **Woodland Elementary**
 - Promotion code **PR-MN-23-9412**
3. Follow instructions to install OnlineFamily.Norton on the computers that your kids use so you can keep in touch with their online activities.

Log in to check up on kids' online activities, view reports showing the search terms and websites kids are using, set limits on kids' computer time, monitor Facebook and Myspace activity etc.
