To all the Woodland families,

On behalf of the entire PTA we would like to thank you for your participation and support with the PTA events, fundraisers and programs this year.

Because of your support, we made a difference at Woodland. Together we were able to host fun family and community building events, encourage reading, music, and the arts, and support technology with staffing and equipment to name just a few.

The Woodland community is fortunate to have great families who believe in our community and who worked together to make Woodland a school where students, families, and Woodland staff succeed, outshine, achieve, and reach.

Best wishes to our graduating students and families. We look forward to next year with all the returning families.

Have a safe and relaxing summer.

With Appreciation,

*The Woodland PTA*
