

Mrs. Ewing's Class News

November, 2009

Language Arts News

Students have been working hard in language arts this fall. As you know, we are switching for many subjects, including leveled reading. Thank you for working on spelling lists, Tic-Tac-Toe sheets, and other leveled reading work. Contact your child's leveled reading teacher with any questions.

Scores on our weekly Trophies book have been high, and students are enjoying the stories.

If you would like a printout of your child's AR report, please feel free to contact me!

Math News

Ms. Ness' math group is working on Chapter 3, and my math group just pretested for that chapter, as well. If some students test out of the pretest, they will be working on different math skills in class.

Our Team Time this year is dedicated to math. Team Time is leveled math, working on different skills that still need to be mastered, or enrichment activities.

Science / Social Studies / Health

Our weather unit in science is complete, and tests are coming home this week. Our next science unit will focus on chemistry. If you have an interest in chemistry and would like to come be a guest speaker, please contact me.

Our first social studies test will take place in the next few weeks. Look for a study guide to come home soon.

We had 100% participation in conferences this fall! (so we celebrated with a donut breakfast as a class 😊) Thank you so much for taking the time to come in and discuss your child's progress with me. As always, please feel free to contact me at any time with questions or concerns.

Thank you for the chocolate donations for our Silent Auction basket. Please continue to send them in! Turkey Bingo and the silent auction are on November 13th. I will be calling BINGO from 6:30 - 7:00. It's always a great family event. Hope to see you there!

ewingn@district279.org
