

Mrs. Ewing's Class News

March 2010

Language Arts News

Students continue to be divided into several different reading groups, depending on their need. We expect to see great gains on MAP and MCA tests this spring!

Please email me if you have any questions regarding your child's AR expectations. Every leveled reading group has different goals. We are all expecting students to read a minimum of 15 minutes per night at home.

Math News

We are continuing our unit on long division. It's a tricky concept for some. Thank you for working on math homework at home with your child.

We continue to go to the lab twice a week to practice multiplication facts.

Science / Social Studies / Health

Our current science unit is titled "Human Body", and focuses on bones, joints and muscles. We had an exciting first lesson dissecting owl pellets.

We will begin our next health unit, which focuses on saying no to illegal drugs, and making good choices when it comes to the health of your body.

We have a lot of fun activities coming up in March, including our 4th grade recorder concert and the Woodland carnival, and our great field trip to the Capitol and History center. Hope you can attend some or all of these fun events!

Please note the dates for the MCA tests below. We sure appreciate you trying to avoid doctor appointments or vacation days during the MCA tests. Thank you!

Spring is in the air! Enjoy! ☺
