Planners – Please have your child share their planner each night with you. When filling out our planners each day, we include homework, reminders, or what we have done that day. You should also be signing the planner to show that you have seen it. Thank you

Homework – This is what your child should be doing each week:

Monday – vocabulary words (study and return sheet when he/she knows the words)

Thursday – reading envelope (remove paper and have child read, return envelope)

Every night – spelling practice, reading for 15 minutes and recording on reading calendar
