**From Mrs. Lien:**

- Please make sure you pack a lunch for the field trip on Wednesday. If you indicated on the permission slip that your child would like a school made bag lunch...that order has been placed!
- We will be making fleece tie blankets for Gillette hospital on Wednesday. This is a great way for our students to do something nice for others and bring some coziness and warmth to the children at Gillette hospital. Woodland has done this project for several years now. What a heart-warming project!
- Thank you to all families who have donated food for our food drive. I appreciate your generosity!
