***Important information regarding riding bicycles to school.***

Spring is here and with the nice weather comes bike riding. Please review bike safety procedures with your child.

Because Woodland's students all receive bus transportation, if your child has your permission to ride her/his bike to school, please send a note to the classroom teacher stating this. Otherwise, by district procedure, we will need to send children home by bus at the end of the day.

If your child rides a bike to school, please send a lock so that the bike can be secured. Bike racks are located on the north side of the school, by the Kidstop entrance.

Woodland is not responsible for damage or loss when bikes are brought to school.
