See you April 5th</p>

Ask your child:

1. What is a parallelogram?
2. To find two items that are congruent (two items with the same shape and size).

I'm excited to share that Matt and I are expecting twins on Oct. 6th. We are extremely excited! I'll keep you posted about the who/when my long term substitute will be.

There will be an optional parent meeting on Wednesday March 24th at 7:00 PM about Clustering & Differentiation with Dr. Marcia Gentry. The presentation will be held in the Woodland Media Center.

Don't forget to order tickets for the Waste Basket Review. The show dates are April 15th-18th and April 22nd-24th. There is a link to order tickets on the Woodland Website. Staff members in the productions are Mrs. Lien, Ms. Peek, Mrs. Leslie, Mrs. Housman, Mrs. Brown, Mrs. Bordenaro, Mrs. Miller, and Mrs. Dienslake.

QUESTIONS? I can be reached by phone at 315-6400 from 8 am-4:30 pm or by email at wagnera@district279.org. Please don't hesitate to contact me with any questions/comments/concerns!
