

District 279
SchoolView Acceptable Use Policy

District 279 is in the process of providing parent access to SchoolView as a means to further promote educational excellence and to enhance communications with parents. SchoolView allows parents to view their child's schedule, attendance and academic performance on the web. For the opportunity to access SchoolView, every parent is asked to act in a responsible, ethical and legal manner. SchoolView is available to every parent or guardian of a student enrolled in selected District 279 schools. Parents are to adhere to the following guidelines:

1. I **will not share my passwords** with others.
2. I will not attempt to alter, harm or destroy data.
3. I will not use SchoolView for any illegal activity, including violation of Data Privacy laws.
4. I will not access data or any account owned by another parent.
5. If I identify a security problem with SchoolView, I will notify the school immediately.
6. I understand that if I am identified as a security risk to SchoolView, my access will be denied.

7. ****I understand that if I provide my email address in the SchoolView system, the School District can send me newsletters, which contain information about other School District programs, events and activities.**

By signing and returning this agreement you will receive access to School View for your student(s) in District 279. Please return this form to the school office in person where you will receive your access key and log-in directions to SchoolView. You will only need to complete this form one time.

Please **print** the name(s) of your student(s) and what school they are attending

<u>Student Name</u>	<u>School Attending</u>

****When accessing SchoolView you will have the opportunity to provide personal contact information, including your e-mail address. This information will be used by the School District to notify you about the SchoolView program. The data you supply also may be used by the School District to provide you with communications, such as the School District newsletter, which contain information as to other School District programs, events and activities.**

You are not legally required to supply this information and may refuse to provide it. If you do not provide the requested information, in whole or in part, the School District may not be able to provide the above referenced information to you but it will not affect your ability to use the SchoolView program. If you provide the data, the information will be shared with School District personnel for the purpose of providing the above referenced communications.

Because the School District presently classifies student and parent personal contact information as private data, the contact information you provide will not be shared with the public. It will be shared only with your consent or as otherwise required or permitted by state or federal law.
