

# VOLUNTEER INTEREST FORM

As we begin a new year at North View Junior High, we need your time and talents to help build a strong link between home and school. We need parental assistance to help make our youth's education a special time for them. Show your kids your school spirit by volunteering.

This is not a commitment on your part by filling out this form. From the interests you express, we will make our calling lists. This information gives us a starting place in our efforts. Thank you.
