Behavior Expectations

Students are expected to follow all the school rules, regulations, policies and expectations listed in their school's Student Handbook. There will be consequences for any violations, and the violation may be grounds for removal from the OALC Program for the Recovery of 9th Grade Credits.

Attendance Expectations

Students are expected to be in attendance for every minute of every class. Because classes are 4 hours long, students will be allowed only **ONE absence** over this three week session – excused or unexcused – before being dropped from the program.

Exceptions

There are **NO** exceptions. Students have an opportunity to earn a replacement grade and one full trimester credit in 3 weeks. More than one absence equals 4 or more hours of missed class time and work and students will fall too far behind to earn their grade.
