SILT Meeting

Meeting Commenced at 8:04am

Members Present: Rob Alm, Alicia Fischer, Krista Frechette, James Hill, Don Myhre

Members Absent: Sherry Augst

Principal's update:

- Fieldtrip for Thursday was cancelled
- Workshop Friday
- Conferences and potluck on Monday
- 20/10 Rule is working and credit earning was excellent – data will be presented at the next staff meeting

Meeting Format

- Do we want to allow people to come to SILT to present their issues during the first 10 min. of SILT?
- Give people the opportunity to come to the last 10 min. of SILT to talk, but they will need to give Don the agenda item prior to Don setting the agenda. Don will explain the details in the e-mail when he sends the request for agenda items.

Testing

- We received an extra \$1000 for testing from the system for summer testing.

Site Improvement Plan

- SILT members made corrections to the Site Improvement Plan

Meeting adjourned at 8:35am

Respectfully submitted,
Krista M. Frechette
