## Find Your Perfect Prom Date

Student Senate will be sponsoring a "Find Your Perfect Prom Date" survey this spring. During advisory, all students will be asked to fill out a survey, which then be sent for analysis. Results will be available for purchase soon after. We hope we can provide some fun and maybe even helpful suggestions for all of you Orioles out there!

## Activity Fair

Student Senate hosted its Spring Activity Fair on February 15<sup>th</sup> and 16<sup>th</sup>. Students could visit booths for Osseo's groups, clubs, and sports during lunches and during Registration Conferences on the 16<sup>th</sup>. It was great to see all of the groups that participated, and we hope that everyone found a new activity to get involved with!

## Blood Drive

Student Senate is excited to help save lives! The Spring Blood Drive will be held on Friday, March 18<sup>th</sup>. Our goal is to save as many lives as possible in 6 hours. From 7:30 to 2:00, the East Gym will be home to the Memorial Blood Centers' team of workers. Every usable unit of blood that is donated to MBC can potentially save three lives, and we hope to be able to surpass our last drive's 84 units of blood. Come on out and help us help others! It's not too late to sign up to donate, but spots are filling fast. If you're interested, come talk to Senate members at the table in the lunchroom the week of March 14<sup>th</sup>-17<sup>th</sup>. Thanks for your contributions!

Questions about Senate, or issues you think need to be solved? Remember: We're here to make sure *your* voice is heard... Together, we'll help make Osseo great!

## Valentine's Grams

In February, in celebration of friendship, love, and all that is Valentine's Day, Senate sold and delivered Valentine's Grams. The happiness of candy and heartfelt notes was spread throughout Osseo. Thanks for making Valentine's Grams a success!

## Call for Help

Student Senate is looking for suggestions from you! We need a service project that would benefit all students in the school, and we are hoping that you have some ideas about what can be done for Osseo. If you have ideas, talk to a Senate member or leave a note in the suggestion box in the main office. Thanks for your help in improving Osseo!
