- current former
- current former

Specify committee(s)/organization(s):

1. Our mission is to inspire and prepare all students with the confidence, courage and competence to achieve their dreams, contribute to community, and engage in a lifetime of learning. As a community member, tell us how you view your role in furthering our mission.

2. I believe I will be able to contribute to the FISCAL Advisory Team because (please include information on areas of your financial expertise and experience):

Tennessean Warning - Some or all of the information that you are asked to provide is classified by State law as either private or confidential. Private data is information that generally cannot be given to the public but can be given to the subject of the data. Confidential data is information that generally cannot be given to either the public or the subject of the data.

ISD 279 is collecting the information to determine qualifications to serve on a FISCAL Committee. You are not legally required to provide this information. However, if you do not supply the information, you may not be selected to serve on the FISCAL Committee. The data is private unless you are appointed, at which time all the data requested in the application will be considered public.
