

ACTIVITIES TRANSPORTATION AGREEMENT

In accordance with ISD 279—Osseo Area Schools Board Policies 442 and 709, all students attending events and/or practices as members of school teams or groups are required to ride the district-provided transportation. As a convenience to participants and/or their parents/guardians, we may allow students to ride with their parents to and/or from school-sponsored events in a privately owned vehicle subject to the following criteria: The release form below must be signed by both the student and parent/guardian(s), and presented to the school’s activities coordinator at least one day prior to an event. Violation of this regulation may result in suspension from two events or two weeks of programs, whichever is greater. A second violation may result in student dismissal from a program.
