

Mission

Our mission is to inspire and prepare all students with the confidence, courage, and competence to achieve their dreams; contribute to community; and engage in a lifetime of learning.

Strategic Objectives

By 2015, all students will—

- articulate, plan for, and progress toward their evolving dreams;
- choose to contribute to community in a mutually meaningful way; and
- demonstrate initiative and persistence to continually learn that which is important to them.

Strategies

We will—

- create transformational system change to ensure equitable student achievement.
- develop understanding and support of our district's mission and core values among members of our community.
- engage students and families as partners to achieve our mission and strategic objectives.
- leverage and align the talents of our employees and the assets of our system to achieve our mission and strategic objectives.

Our Core Values

We believe that—

- lifelong learning is essential for the individual and community to thrive;
- everyone has equal intrinsic value;
- trust is essential to sustaining successful relationships and to achieving results;
- better decisions emerge when diverse perspectives are intentionally included in a collaborative process;
- everyone benefits when cultural differences are acknowledged and understood, and individuals are treated respectfully and equitably; and
- everyone can learn more.

Result statements by strategy

Result statements in *color* are priority results for 2014-2015

We will create transformational system change to ensure equitable student achievement*.

- Standards-based instruction and grading are used in all classrooms to ensure equitable achievement.
- The district uses a comprehensive system to measure and report progress on equitable gains and to plan for continuous improvement.
- A plan has been developed to increase school readiness (World's Best Workforce requirement) and improve PreK-5 alignment.
- All sites have implemented research-based positive behavior intervention practices that promote equitable student achievement.
- A plan has been implemented to interrupt the pattern of racial disproportionality in special education.
- The first phase of the digital learning plan focusing on increased access to mobile devices, digitized curriculum, and expanded online learning options has been accomplished.
- A PreK/K-5, 6-8, 9-12 grade configuration plan has been implemented that incorporates middle level design and meets World's Best Workforce requirements, such as literacy by grade three and career and college readiness.
- Extended learning opportunities have expanded to provide more K-12 interventions for students who need them.

*** Equitable student achievement has three components:**

1. Ensure high levels of achievement for all students.
2. Accelerate achievement for students of color and other underperforming groups.
3. Close the achievement gap for all students.

We will develop understanding and support of our district's mission and core values among members of our community.

- Community members have increased trust in the school district.
- Community members and students are engaged in collaborative activities that result in mutual benefit.

We will engage students and families as partners to achieve our mission and strategic objectives.

- Families and students feel welcome at school and respected and trusted by school staff.
- Communications between home and school regarding school programs and student progress are differentiated to meet student and family needs.
- Families have the knowledge and skills to navigate the school system and effectively engage in their student's education.
- Resources and services are coordinated, communicated and accessible to students and families.
- Volunteer initiatives contribute to student learning and support schools and families.

We will leverage and align the talents of our employees and the assets of our system to achieve our mission and strategic objectives.

- Employees identify and respond to the influence of race and culture on learning.
- A measurement framework is in place to ensure success of the diverse workforce recruitment and retention plan.
- Staff managers demonstrate core competencies of standards of management practice.

Strategy Delimiters

We will not adopt any new program or service unless it is consistent with and contributes to our mission, and is accompanied by the staff development needed for effective implementation; accept any behavior that demeans the worth of any person; and allow past practice to interfere with the consideration of new ideas.
