

You can help Osseo Area Schools maintain accurate data about its residents by completing this Family Census Record. Information gathered on this form is used for data analysis and districtwide mailings, and it helps ensure that families receive school-related information in a timely way. It also serves as the district's "School Census," which is required by state law.

This data is collected and used only for school district purposes. Participation is voluntary and sincerely appreciated. If you do not provide the requested information, the district may not be able to communicate with you about important school-related news. The district will also have incomplete information for operational activities such as enrollment projections. Information obtained from the family census may be shared with district employees with a legitimate educational interest in the census data provided.

Please return this completed document in the enclosed postage-paid envelope.
