STUDENT SIGN IN and OUT FORM

One of our goals as a program is to try and make The SPOT as convenient and flexible as possible for our Middle School youth and their families. Unlike other programs that your youth may have participated in when they were younger, The SPOT provides an opportunity to interested families to allow youth to sign themselves in or out of the program.

We recognize that youth in our program have varying maturity levels, and that families in our program have differing expectations of their youth. As such, in order for us to allow a youth to sign themselves into or out of our program, prior approval from a youth's parent or guardian is required to participate in this flexible program offering.

This form serves as a contractual agreement pertaining to the signing in and out of your youth from our program.

- I understand and agree that The SPOT staff are required to call me (or other parent/legal guardian) when my child signs out of the program.
- I understand and agree that verbal confirmation by a parent or legal guardian is required before we will allow a student to leave our care.
- I hold harmless The SPOT and Osseo Area Schools for my youth after they sign themselves out of The SPOT program.
- I understand and agree that I am required to provide The SPOT staff with any revocation of my youth's permission to sign themselves into or out of the program.
