

POLICY 707 APPENDIX B—SCHOOL BUS SAFETY TRAINING, ROLES OF PARENTS

I. STUDENT TRANSPORTATION SAFETY TRAINING

- A. The school district may deny transportation to a public or nonpublic student who fails to demonstrate school bus safety.
- B. The school district will provide students enrolled in pre-kindergarten through grade 10 with bus safety training by the end of the sixth week of school or as soon as possible after the student enrolls. School bus safety training will be age appropriate and in a language the student understands. School Bus Safety Training includes information about:
 - 1. Appropriate conduct while on the bus and at bus stops
 - 2. Danger zones of ten feet surrounding a school bus
 - 3. Procedures for safely boarding and leaving a school bus
 - 4. Procedures for safe vehicle lane crossing, and
 - 5. School bus evacuation as well as other emergency procedures.

II. ROLE OF PARENTS AND GUARDIANS OF ISD 279 STUDENTS

- A. Parents and guardians support their students in school bus safety by
 - 1. Becoming familiar with school district rules, policies, regulations, and principles of school bus safety, contained in this Policy 707, the school district web site, student parent handbooks and in student bus safety materials,
 - 2. Assisting students in understanding safety rules and encouraging them to abide by those rules,
 - 3. Supporting safe riding practices and reasonable discipline efforts,
 - 4. Supporting procedures for emergencies established by the school district,
 - 5. Encouraging their students to respect the rights and privileges of others,
 - 6. Having their children properly dressed for the weather, and
 - 7. Having a plan in case the bus is late.
- B. Parents and guardians support the school district in maintaining school bus safety by communicating safety concerns to school administrators.
- C. Parents and guardians are encouraged to escort their students to their bus stops.

III. STUDENT TRAINING – BICYCLE AND PEDESTRIAN SAFETY

- A. Each district school will provide student safety education for bicycling and pedestrian safety.
- B. Nonpublic schools within the school district will provide bus, pedestrian, and bicycle safety training to nonpublic school students transported by the school district. The administrator for any nonpublic school within the school district will certify to the school district Director of Facilities & Transportation Operations that all students attending the nonpublic school have received school bus, pedestrian and bicycle safety training.
- C. The school district's curriculum for bus safety is maintained and available for review on the school district web site, at each school building or at the Educational Service Center.
