Harassment includes the use of derogatory language, intimidation, and threats; unwanted physical contact or physical violence; and the use of derogatory language and images in graffiti, pictures or drawings, notes, e-mails, electronic postings and/or phone or text messages related to a person's membership in a protected class. 2. Conduct is unwelcome if the student or employee did not request or invite it and considered the conduct to be undesirable or offensive. Submission or failure to complain does not mean that the conduct was welcome; the circumstances must be examined.
3. With respect to students, respect to students, a "hostile environment" exists when harassment is sufficiently severe, persistent, or pervasive to interfere with or limit one or more students' abilities to participate in or benefit from the education program.
4. With respect to district employees, a "hostile environment" exists when harassment is sufficiently severe or pervasive so as to alter the conditions of the victim's employment and create an abusive working environment.
